Life after Brain Injury

We are delighted to invite guests to the inaugural Headway Charity golf day at Lymm Golf Club on Tuesday 27 June 2017

We do hope you will be able to join us on this very special occasion and help make this tournament an enjoyable day and a great success for those less fortunate than ourselves.

Brain injury can challenge every aspect of your life – walking, talking, thinking and feeling – and the losses can be severe and permanent. It can mean losing both the life you once lived and the person you once were.

Headway is the UK-wide charity that works to improve life after brain injury. Through its network of more than 125 groups and branches across the UK, it provides support, services and information to brain injury survivors, their families and carers, as well as to professionals in the health and legal fields

“ Meeting at Headway gives me a purpose and support with issues that I would otherwise struggle with. I meet many other people with similar injuries of differing causes, but I get involved in a choir, our own fund raising events and gym activities at the 3-1-5 Gymnasium in Lancaster, and organised trips away into the Lake District and Keilder Forrest.”
